

Watercolor Wednesdays

NEW THIS YEAR!

PLEIN AIR PAINTING FOR NEWS SIGNATURE & ASSOCIATE MEMBERS

New England Watercolor Society is offering the opportunity for fellowship painting in the fresh air, and at some welcoming, scenic locations - this will be just "plein" fun, no instruction – to sharpen your skills and share your works. There could be an optional group critique at the end of the day. Parking & Facilities are all available at the exciting places that have been arranged.

Please email Signature Member Frank Costantino, who will serve as our coordinator, by the Monday prior to the dates below. To let him know you will be there and for further information - frankmc@fmcostantino.com. Signature Member Julie Blanchard will be welcoming all NEWS members and local artists to the locations with a “try your hand at watercolor table.”

Not a member yet? You may join as an associate member of NEWS for \$20 at any of these events. Go to newenglandwatercolorssociety.org for more information.
