Houghton Mifflin Co.
Resides in Cohasset, MA.

Professional Affiliations

New England Watercolor Society
Copley Society of Art
South Shore Art Center
North River Arts Society
Duxbury Art Association
Cambridge Art Association
The Art Connection

I like to paint what I see, primarily landscape and architecture, expressing my personal interpretation of a subject. I love the luminous quality, freshness, and clarity of the watercolor medium. Working with the paints to let them show their transparency, fluidity, and vibrant color, I combine suggestion and impression with careful rendering. I want each of my paintings to have its own energy, liveliness, and style.
